# Meet Our Founders, Matt & Nina!

Matt & Nina are the founders of Blend Family. Since opening their first food hall in 2018, Cutlery Works, they've been committed to helping food businesses thrive.

'We know from personal experience how daunting the first steps into the industry can be - but we love ambitious people who are willing to give it a go.'

Nothing makes us prouder than watching food start ups flourish in our venues. That's why our model focusses on guiding them through those first steps to alleviate some of the stress, so they can focus on growing and thriving. We offer the invaluable experience of working alongside other chefs at different stages of their journey - all developing and learning with each other.'

## How We Work ↓ ↓ ↓

### 1. Fresh Start

A platform for chefs to focus on their craft without the responsibility of their own bricks and mortar.

### 2. Refine

Time to establish good business practice and healthy operating systems.

### 3. Grow

Coaching in building a brand and developing a strong marketing presence.

### 4. Expand

Opportunities to expand into other Blend Family venues in new cities.

# Cambridge Street Collective

A Foodie's Paradise in  
The Heart of Sheffield

Powered by  
Blend Family

Our latest launch, Cambridge Street Collective, is set in the heart of Sheffield and has been a focal point for the regeneration of this area. With a focus on welcoming families and their four-legged friends, it's a vibrant place to relax, eat and socialise. Since its launch in 2024, it has won Food Hall of the Year 2024 and is the largest purpose-built food hall in Europe.

With 20 independent kitchens, this four-story site has indoor and outdoor spaces and is the original home to Blend Culinary Foundation. Blend Culinary Foundation (CIC), is an important part of the Blend Family, with its mission to alleviate food poverty, to enhance food education and to unite our diverse communities through food.

We look forward to recreating an equally exciting venue in London. We can't wait to welcome you in!
